## About us

Aastha Shiksha Kendra began its journey in 2000 as a tuition centre for school students. Over the years we have progressed to a well organised coaching institute catering to a wide spectrum of people. Besides tuitions for school and college students, we provide coaching and consultancy for advanced courses like B.Ed., B.P.Ed, M.Ed. & JBT, D.Ed, NPTT, NTT., etc. Our renovated centre has spacious rooms with all facilities. We have well qualified faculty for all the subjects. We give ample attention to needs of individual students. We organise events to promote social welfare like tree planting drives and spread of awareness about preserving our environment.

## Owner's desk

Education is the foremost requirement of any vibrant society. In a developing country like India, it is even more important. A large number of people are still not educated. To fulfil the aspirations of all the people, more and more educational institutions are being planned. In the coming years a large number of teachers are required for this.

Teacher Training, therefore, is one of the main factors for expanding education for all. At Aastha Shiksha Kendra, we endeavour to provide all the help to aspiring teachers to get the necessary training. For this we provide counselling for choosing the appropriate courses under all the streams like B.Ed.,B.P.Ed,M.Ed.,D.Ed. & JBT. Our motto is reliable advice and full transparency. Further we provide weekly lessons and all the help required for preparation of files and course studies.

We take care to help choose only legitimate institutions that are recognised by UGC and NCTE. We make no false claims or promises. Our results speak for themselves.

## Faculty

We have experienced and well qualified faculty for all subjects.

## B.Ed./B.P.Ed/M.Ed (Recognised by UGC & NCTE)

### NCTE : National Council for Teacher Education

The National Council for Teacher Education, in its previous status since 1973, was an advisory body for the Central and State Governments on all matters pertaining to teacher education, with its Secretariat in the Department of Teacher Education of the National Council of Educational Research and Training (NCERT). Despite its commendable work in the academic fields, it could not perform essential regulatory functions, to ensure maintenance of standards in teacher education and preventing proliferation of substandard teacher education institutions. The National Policy on Education (NPE), 1986 and the Programme of Action thereunder, envisaged a National Council for Teacher Education with statutory status and necessary resources as a first step for overhauling the system of teacher education. The National Council for Teacher Education as a statutory body came into existence in pursuance of the National Council for Teacher Education Act, 1993 (No. 73 of 1993) on the 17th Aug.,1995.

My experience with Aastha Shiksha Kendra was exquisite. I had every support available at all times during my B.ed course. I learnt many things that will be important to me as a teacher. The centre has a very friendly atmosphere. Group learning helps in exposure to different facets of life and education. The support provided for making projects and assignments was tremendous by the well qualified faculty of Mr. Dinesh Chandra and Mr. Swadesh Raghav. They are expert and have researched well in the field of education. I would recommend the centre to everyone looking for a successful career in academia.

आस्था शिक्षा केंद्र के साथ मेरा अनुभव बहुत ही अच्छा रहा है। मेरे M.A. और B.ed कोर्स के दौरान, वहाँ के teachers Mm. Dinesh Chandra and Mm. Swadesh Raghav ने हर तरह से support किया। उन्होंने मुझे बहुत ही शीर्ष समय में कस तरह guide किया। जो मुझे course और assignment के समय किसी तरह की कोई problem नहीं हुई। कोर्स के दौरान, आस्था शिक्षा केंद्र का environment बहुत ही supportable था।

वहाँ के teachers ने न सिर्फ course में ही help की और उसी साथ ही अपने experiences भी share किए। जो कि मेरे teaching career के लिए बहुत ही beneficial रहेगा। वहाँ environment हमें motivated and encourage करने वाला रहता है। मैं तो यही सुझाव दूंगी अगर कोई भी student academic field में career बनाना चाहता है, तो कस centre में join करें।
